S I R :

It has now been noted that the IDS filed yesterday on September 23, 2008 inadvertently indicated in Section 2 that the cited reference was "first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this IDS" (emphasis added). However, the date on the foreign communication was 06-06-2008, which is more than three months ago. Consequently, the IDS instead should have indicated that the IDS was accompanied by the fee of \$180 as required by 37 CFR. §1.17(p).

Therefore, it is requested that the required fee of \$180 be charged to the deposit account of the undersigned as authorized by Section 6 of the IDS (or alternatively, as authorized hereafter).

☒ If no payment is enclosed and a fee is due in connection with this communication or if the payment enclosed is insufficient, the Director is authorized to charge any fee or additional fee due with this communication to Deposit Account No. 12-0555.

Respectfully submitted,

Date: September 24, 2008
